In Job Corps you earn while you learn, starting at \$40.00 a month with a possibility of earning up to \$100.00 a month. Raises are based on good performance, achievement and length of stay in Job Corps. Payday is twice a month.

Another \$75.00 to \$100.00 a month is set aside for you, and after you complete the program, it's used to help you begin your new job.

An annual clothing allowance of \$317.00 will be given to you the first year of enrollment, with \$103 for the second year.

In addition, all vocational and protective clothing such as rain gear, boots, hard hats, etc., are provided at no cost to you.

Also available are lessons in arts & crafts — ceramics, painting, leathercraft — and a student operated canteen. In addition, the center sponsors many trips of interest on the Oregon coast and to the Portland area. Weekend passes are also available.
